Advances in Virology

to be held at University of Greenwich, UK

on 11-12 September 2007

CONTRIBUTIONS ARE NOW INVITED

The programme for this conference will be open to any topics or areas within basic or applied plant virology and will include all current areas of interest to Plant Virologists, and will consist of presentations by invited speakers as well as offered papers by conference delegates.

We welcome submissions from established researchers, post-docs and students. The meeting will include the student competitions as outlined below.

Invited speakers include:

Olivier Voinnet - CNRS Strasbourg, France

Marilyn Roossinck – The Samuel Roberts Noble Foundation, Oklahoma, USA

Juan Antonio Garcia – University of Madrid, Spain

Student Prizes

Student prizes will be awarded for the best platform (Bryan Harrison prize) and best poster (Raymond and Roger Hull prize) presentations.

Early offers are appreciated

Platform presentations will be allocated on a first-come-first-served basis.

Accommodation will be available at the University from 10 September 2007. Booking forms will be available by the end of April 2007.

Papers will be published as 1-page Abstracts. A sample can be found on the AAB web site. (see below).

Your abstract, including title, authors name(s) and addresses can be submitted online via our web site, see above. Click on ABSTRACTS in the left-hand column, then the title of the conference. Once you have registered as a user, you can upload your details.

Deadline for Call for Papers is 8 June 2007
